

Description

Day 1: Managua / Playa Ocotal

Depart overland to a unique and natural haven for the true traveler who is looking for a touch of luxury while enjoying the adventure and solitary companionship of one of Nicaragua's most beautiful beaches while slipping back into a spacious private bungalow overlooking Pacific sunsets and tropical wildlife. **Morgan's Rock (L,D)**

Day 2 & 3: Playa Ocotal

Experience a project of nature conservation, community development and reforestation offering Agro and ecotourism at its best. Relearn how to play with time. Enjoy doing nothing more than refreshing in an infinity pool, freeing your soul at the Spa or delighting on a freshly caught Red Snapper. Tours (available at an additional cost) & activities take place in the privileged setting of a Hacienda that entails various ecosystems such as primary tropical dry forest, secondary forest, hardwood plantations, pastures, untouched beaches and hills overlooking volcanoes, Lake Nicaragua and the Pacific Ocean. **Morgan's Rock (B,L,D-daily)**

Day 4: Playa Ocotal / Managua

Your eco-escape ends as you retrace your way to Managua. **(B)**
